Thank you

The need for blood is constant and only volunteer donors can fulfill that need for patients in our community. Nationwide, someone needs a unit of blood every 2 to 3 seconds and most of us will need blood in our lifetime.

Thank you for supporting the American Red Cross blood program!

Download the Red Cross Blood Donor App on the [App Store](#), [Google Play](#) or text BLOODAPP to 90999. Schedule appointments, view your blood type and results of your mini-physical, and track your donations.
